Please feel free to contact us to discuss ways in which we can help to resource your local needs. The following list offers suggested ways in which you may choose to use us within your circuit, however, we are always available for a conversation on any learning and development needs in your churches or circuit.

Consultancy and Review

Here are some ideas of special days that the team can run, tailored for your circuit/church:

- Vision days— helping to create vision or mission priorities
- Strategy days—helping to plan strategy for the future
- Retreat Days—spiritual refreshment
- Study Days— for LP/WL or churches
- Discipleship development for small groups
- Mission Planning - helping to facilitate the creation of a church/circuit mission plan
- Team Development Days - a day looking at team building and exploring ways of working together
- Impact Assessment - assessing the impact of projects, ministries and mission plans
- Pioneering - information and support for circuits who want to explore this area of ministry
- Signposting of relevant resources for your church or circuit needs
